Hi Amanda;

Thanks for your response to my public records request. I have to say I was quite surprised to hear that the governor's office did not have these documents. The Executive Director was specifically instructed to send them by the FCAA board. Mr. Dean's residency status is of interest to Keys citizens who have ongoing concerns about the operations of the FCAA. The FCAA board thought it best that the governor's appointments office review the matter and decide on Mr. Dean's eligibility.

Immediately after receiving your reply I submitted a request to the FCAA to find out what should have been sent to the governor's office and I received the attached documents.

By forwarding the documents to you, I can now say for sure that they have been sent to the governor's office.

Thanks again for your help,

Margaret Blank
