Hello Ms. Blank,

We do not require a list of subcontractors; it's not a contract requirement.

Bob, we do not have copies of subcontracts or specific values of subcontracts for any of our projects, as far as I know. It is not a contract requirement.

Joe, you're not aware of any subcontract submittals on these contracts, are you?

Hello.

Your response generated a follow-up question. Mr. Toppino "vowed" to avoid voting conflicts. How will anyone know if he even has a voting conflict if the FCAA doesn't track subcontracts?

Thanks,

Margaret
