Ms. Blank,

The Governor's Office of Open Government is in receipt of your request for records as stated in your email below. A search for responsive records will be initiated and someone from this office will be back in touch with you soon. If the search produces a volume of records which indicates that there will be a fee associated with your request, you will be provided with a fee estimate for your review. Thank you for contacting the Executive Office of the Governor.

Sincerely,

Amanda Gorman
