And here it is - 2012 already. Four years have passed and it's time for yet another election.

I'm Sylvia Murphy, the current Count Commissioner of District 5 and a resident of Tavernier for fifty-eight years. This will be my third term and I very much would like to represent you for another four years.

Much has happened in these four years - most of it beneficial to the citizens of the Florida Keys. Our economy continues to importer - wastewater, FEMA and the Comprehensive Plan are progressing - we have placed some awesome people in key positions and our County's financial position continues to improve with each passing year.

Most of you who are reading this "blurb" know that I have consistently worked and voted in the best interest of Monroe County, it's residents and business.

Monroe County has been good to me. I hope you feel that I've been good for Monroe County.
