Hello;

I submitted this public records request last week. There's been no response.

Perhaps I didn't make myself clear enough. Comm. Carruthers is giving the the "state of the county" address up and down the Keys. Usually, this address is accompanied by a PowerPoint presentation.

I would like you to please email me a copy of that PowerPoint presentation. As far as public records requests go, this is an easy one.

Thank you.

Please send the 2015 "State of the County" presentation. This is a formal public records request.

Thank you.
