Thank you very much. The Strategic Plan will certainly be very useful.

I was aware of the link that you provided to Res. 158-2015. The problem is that I am unable to print that particular document to pdf. This is extremely unusual and not an issue with other documents. It is unfortunate because it just so happens to relate to the extremely problematic and questionable Ocean's Edge development.

Now that you are aware of the problem, perhaps it can be fixed?

Thanks in advance.

Hello

On February 22, 2017, you emailed Monroe County Clerk of Circuit Courts & Comptroller Kevin Madok requesting a copy of Resolution 158-2015 and a copy of the strategic plan prepared by Clerk Madok when he was Monroe County's Strategic Planning Director.

We reviewed your request and found that Resolution 158-2015 is available on the Monroe County Clerk of Circuit Court & Comptroller's website at:

You also requested a copy of the Monroe County Strategic Plan which is attached to this email.
